

How to find us

DIRECTIONS

By car from Zurich:

Take the A1 freeway in the direction of Bern; exit at Solothurn to the A5 freeway in the direction of Biel, driving along Lake Biel. After passing Lake Biel, continue again along the A5 freeway, which leads through a tunnel beneath Neuchâtel.

Take the “Neuchâtel/Maladière” exit. After exiting, you will reach a traffic circle. Drive completely around it so that you are virtually heading back in the same direction. Of the three lanes available, be sure to remain in the LEFT lane, otherwise you will drive back into the tunnel. Take the left lane (follow the blue sign in the direction of “Hauterive”).

You will then reach two traffic circles, continue straight ahead (follow the mustard yellow “Hotel Palafitte” sign).

Continue until you reach the “Bulgari” watch factory (left side of the street), precisely opposite on the right between the “Imprimerie Messeiller” and “Machine-Outil Springmann”, there is a small road that leads down towards the lake. There you will find Route des Falaises 96. Parking spaces are marked.

By car directly from Geneva:

Take the A1 freeway in the direction of Lausanne, then the A5 freeway in the direction of Neuchâtel. Once you reach Neuchâtel, the A5 leads beneath the city in a tunnel.

Take the “Neuchâtel/Maladière” exit. After exiting, you will reach a traffic circle; exit left in the direction of “Hauterive”.

You will then reach another traffic circle; continue straight ahead (follow the mustard yellow “Hotel Palafitte” sign).

Continue until you reach the “Bulgari” watch factory (left side of the street), precisely opposite on the right and between the “Imprimerie Messeiller” and “Machine-Outil Springmann”, there is a small road that leads down towards the lake. There you will find Route des Falaises 96. Parking spaces are marked.

With public transportation:

Once you arrive at the train station in Neuchâtel, walk through the underpass; take the “Funambule” on the mezzanine level, which is an underground train that will take you in the direction of the city center/university. Once there, switch to bus no. 101 in the direction of “Marin”, until you reach the “Chemin des Mulets” stop. Take the sidewalk towards the lake; proceed left in direction of the “Imprimerie Messeiller”. Precisely between the “Imprimerie Messeiller” and “Machine-Outil Springmann” there is a small road leading towards the lake. There you will find Route des Falaises 96.
